ight, involves violence to human nature, ontra liction to God, and the subversion f the standard and the disruption of the sonds of a pure morality.

Whereas, it was principally by the in-Buence of Christianity, that the slave trade oth in England and America, and recentv slavery itself in the British West Inlies, were abolished, and as it is by the ame influence, that we can reasonably hope for its abolition in this country, therefore,

Resolved, That the high and decided stand, which the Christians of Great Brithin have taken on this subject, and the disnterested and persevering efforts, which they are using for the abolition of s'avery throughout the world, are very grateful our feelings, and should meet a hearty esponse in the bosom of every Christian in the United States.

Resolved. That the friends of human nature have a right confidently to expect rom the christian pulpit, a hearty and urnest advocacy of universal and immedite emancipation.

The prospects of the anti-slave, y isting law upon the subject of taxation.] use are highly encouraging at the presnt time. The proceedings of the N. Y. mob, headed by "respectable citizens," River card Co. parts of the State!

y test the strength of abolitionists. This layes 83, nays 72. ear the resolutions are full, decided, and ere carried by a vote of 27 to 13. This les not look like abolition being on the echine. - Buffalo Spectator.
